

Hello Anglers!

The 2011 Cape Fear Red Trout Celebrity Classic is fully underway for this October 21-23. We are ready to provide you and yours with an unforgettable weekend of fun, fishing and fellowship! We have a wide stable of professional guides ready to provide the finest red drum and trout fishing this region has to offer. The locally volunteered Planning Committee for the 2011 Cape Fear Red Trout Tournament heartily invites you to come join us for this super event that is now in its ninth successful year raising funds to “Catch the Cure” for cystic fibrosis (CF). Your donation secures you an incredible weekend of professionally guided fishing, sportsmanship, a whole lot of fun and the knowledge that you have personally contributed to a worthwhile and longstanding cause. This charity uses nearly 90% of every dollar raised for research and direct care for CF patients. All anglers, novices and experienced alike are invited – both in teams and as single anglers. If you are by yourself, you may have the chance to fish with Redbone founder and professional angler Gary Ellis, or perhaps one of his legendary celebrity anglers that fish the Redbone Series of CF tournaments around the nation.

**NOTE: While the format is the same, the “DAYS” we are hosting this year are different. This year we will be hosting the dinner & auction on FRIDAY evening (October 21), FISHING ON SATURDAY AND SUNDAY (October 22-23) and hosting the awards party on SUNDAY afternoon (October 23).** We opted to modify our days in order to get back in the spectacular location we had last year... It is with great pleasure that we announce that after our super first year with them, the **Blockade Runner Hotel and Resort**, has graciously undertaken sponsorship of our event. They will be our host for all festivities again making our tournament a true “destination event.” The Resort is built around family, fun and relaxation with oceanfront pool, sound-side watersports facility (kayak and sailboat rentals) and spa. We encourage all anglers to come stay on-site within easy walking distance of the famous Robert’s Grocery, several superior dining spots and many well-known “watering holes.” The Blockade Runner has put together special rates and packages for our guides and anglers – their flyer is enclosed. We recommend you contact them early – ocean and sound front rooms are still available at this time. This destination style event makes for a wonderful family vacation with something fun for everyone.

We will hold our annual dinner and silent/live auction starting at 5:30pm on Friday evening, October 21<sup>st</sup> at the Blockade Runner Hotel and Resort. These guys put on a gorgeous event this past year and we are really looking forward to having cocktails at sunset and dining under the stars. Saturday, October 22<sup>nd</sup> will start our fishing with a 6:30am breakfast and tournament sign in. Fishing will be from 7am until 4pm when all teams must be in line to check in at the dock at the Blockade Runner. We’ll have hot food and beverages for all at check in as always. Sunday, the 23<sup>rd</sup> will hold fishing 7am until 3pm with the addition of our awards party, again oceanside at the Blockade Runner starting at 4pm. We’ll have a great barbecue meal with live

music, concluding with the awards ceremony. Lunch, of course, is provided each day for all anglers and their guides.

The angler packets enclosed contain the forms you will need to get onboard for this unique event. Simply complete the forms and return them via fax, email or regular mail to the address shown. This catch and release tournament operates on a "first come, first served" basis for guide allocation, so if you have a favorite you'd like to fish with, get the forms in early and let us know. Please feel free to call us with any questions. You may also visit our website, [www.cfredtrout.com](http://www.cfredtrout.com), to see pictures of past events, learn more about the tournament and the guides and download all the attached forms. Please *share* this packet with your fishing friends, clubs, tackle shops and anyone you think might be interested in getting in on the fun. Email them the link to the tournament website. Spread the word and let's make 2011 the biggest tournament ever!

We're expecting a huge turnout this year – with a great shot to best our 2007 record amount raised of \$65,000. We have raised roughly \$45,000 each year since then and we'd like to set a precedent for 2011 – we can do this with your support of the Cystic Fibrosis Foundation. Established in 1955, they have worked tirelessly to assure the development of the means to cure and control CF and to improve the quality of life for those with the disease. CF is a life-threatening genetic disease affecting approximately 30,000 people in the United States. Come spend the weekend fishing, having fun and helping us "Catch the Cure!"

See you in October!

The Planning Committee  
2011 Cape Fear Red Trout Celebrity Classic

- Opportunity to promote company product in participant gift bag

- Meals for both days of fishing including breakfast, lunch, and dinner refreshments  
Gift bag(s)

The CF Foundation tirelessly pursues its mission by supporting scientific research, which is dedicated to the discovery and development of new therapies. At the same time, it funds and accredits a network of specialized treatment centers that provide state-of-the-art care for people with CF. By applying the same principles that a “for-profit company” follows — **efficiency, innovation, and a results-driven** approach — the CF Foundation is making a profound difference in the lives of those with CF.

When the CF Foundation began, few children lived to attend elementary school. Thanks to the research and care supported by the CF Foundation, the median age of survival for a person with CF is now 37. Although the outlook for a child born with CF today has improved tremendously over the years, it is not good enough. Your partnership with the CF Foundation is critical to ensuring that the momentum in CF research continues.

Please join us this fall as we catch a cure for cystic fibrosis. Working together, we can add tomorrows every day to the lives of all people with CF. For more info, visit us online at [www.cfredtrout.com](http://www.cfredtrout.com).

For more information about cystic fibrosis and the difference that donors like you are making in the lives of CF patients please visit [www.cff.org](http://www.cff.org).

### What Is Cystic Fibrosis?

- CF is a life-threatening genetic disease that affects the lungs and digestive systems of tens of thousands of young people.
- One in 31 Americans (more than 10 million people) is an unknowing, symptom less “carrier” of the defective CF gene.
- Each time two carriers conceive, there is a 25 percent chance that they will have a child with CF.
